Central Council – Ryan

- Loss of baseball rule changes
- Passed new general rule – allowing other clubs to join just to play football. Central Council does have a desire to keep Pee Wees a three sport club
  - Would only get as many votes in Central Council as a club has sports (we get 2)
  - TJ asks if should open a baseball registration and see what it gets us? NMLL is now waitlisting for teams.
  - Not really going to help us any now. For next year, maybe we should try to field a sport. Baseball starts first week of April

#### Committee Reports

Football – No report.

Basketball

- Playoffs are next week for girls, and following week for boys. 3/21 Championship games for girls, 3/28 Championship games for boys
- Ryan sent all coaches an email with link to game schedules

Waiver – Discussed two waiver requests.

Baseball – No report.

Fundraising Committee

- Ray signed papers for two fireworks stands.
- See if we can get a hold of Dave Binion, and rent his lot again – where we did Christmas trees. TJ will get a hold of Dave and see if we can get the lot from 6/21 – 7/7. Ray will get two big stands.

Cheer – No report.

#### Old Business

- Jason Maiuri is new Equipment Manager. Will get him a key. Check with Rob and see if he still has his key.

#### New Business

- Apparel discussion – who can investigate next step for apparel/stickers?
  - Suggestion that we check with Marni @ Mad Mouse Creations – Amy will call
  - Joel will check with his apparel guy in Puyallup
  - Apparel prices: Sweatshirts - \$25, Tshirts - \$10, Hats - \$20, Drawstring bag - \$12, Beanie hats - \$10, and youth size hoodies - \$20
